EXHIBITOR-APPOINTED CONTRACTOR (EAC)/STAND BUILDER SECURITY WRISTBANDS

The following security regulations and precautions will be used for the security and safety of all participants of EBACE.

- All stand builders and EACs will be **required** to wear security wristbands prior to entering exhibit halls.
- Security wristband order forms should be completed and returned to Securitas (EBACE security provider) prior to arrival on site. The deadline to submit order form is April 11, 2016. **Order forms submitted after the deadline date, will be subject to financial penalties.**
- Stand builder's and/or EAC companies' supervisors responsible for all work performed at Palexpo are responsible for picking up the security wristbands from the security office between 12:00 and 17:00 the afternoon **prior** to day of use.
- The color of the wristbands, which are sequentially numbered, will change daily.
- All stand builders and/or EAC supervisors and workers will be required to wear the wristband around the wrist before entering the exhibit area. Individuals wearing the wristband other than on the wrist, such as on a belt loop, badge lanyard, etc., will be denied entry to the exhibit hall. Cut, torn, re-taped, or otherwise altered wristbands will be confiscated, and the individual refused entry to the exhibit area. There will be no exceptions. The supervisor will be responsible for notifying their labor of this rule and enforcing it at all times.
- Stand builders and/or EACs will be responsible for notifying all of their personnel of the location of the designated area where they will receive the wristbands each day. Supervisors should remain at that location until all of their workers have been checked in. If the supervisor is not present, the worker(s) will be turned away.
- A designated area will be established for wristbands pick up on-site at Palexpo and information will be provided at a later date.

We will do everything possible to make these additional requirements as smooth as possible for you. We appreciate your cooperation in this matter.
