

Skills Shortages ?

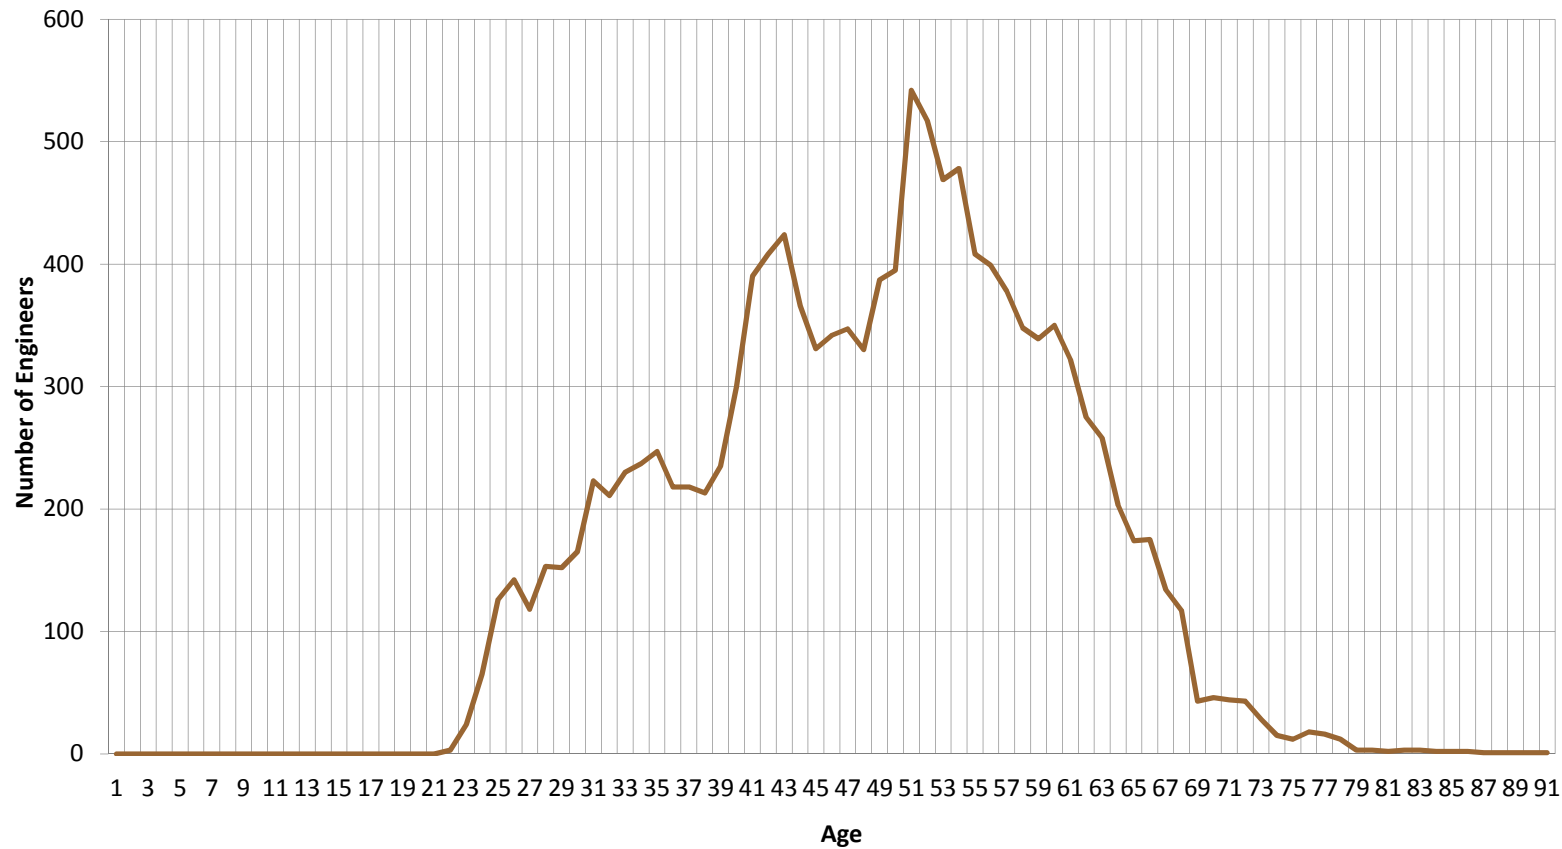

MARC BAILEY CEO BBGA

UK Licensed Engineers

2

Age Profile - Licensed Engineers 2016

**Total number
of Engineers:
13,188**

**Maximum:
Aged 51
(542)**

Scope of our problem

3

- Extrapolation to other elements of maintenance
- Interest in Science and Technical
- Academic rather than vocational trend
- Too much independent activity in Aviation
- The need to act in all streams , Flight, Ground & Airworthiness
- Industry needs to lead this strategically
- Need data to argue our case
