

22-24 MAY 2017 | GENEVA

## STATIC DISPLAY PRICING

Static display exhibits will be located at Geneva International Airport, which is immediately adjacent to Palexpo. Static display exhibits must showcase real aircraft. Exhibits without aircraft are not permitted on the static display.

Aircraft mock-ups are not permitted on the static display. Only actual aircraft are permitted. Exhibitors should plan accordingly and include mock-ups within their indoor exhibits.

**RAMP SPACE PRICE:** \$460 per 3m-by-3m space reserved

### **AIRCRAFT MOVEMENT FEE**

Aircraft movement fees are determined based upon the size of the aircraft. EBACE Management will collect fees and pass them along to the service provider.

#### **Aircraft Movement Fee**

|                                 |         |
|---------------------------------|---------|
| Less than 6,000 lbs MTOW        | \$400   |
| 6,000 lbs – 14,999 lbs MTOW     | \$550   |
| 15,000 lbs – 34,999 lbs MTOW    | \$700   |
| \$35,000 lbs – 100,000 lbs MTOW | \$850   |
| Over 100,000 lbs MTOW           | \$1,750 |

Fees for additional services such as electrical service, aircraft GPU and temporary air-conditioners will be billed separately by the EBACE-appointed service providers.
